Department of Future Technologies

9. October. 2018

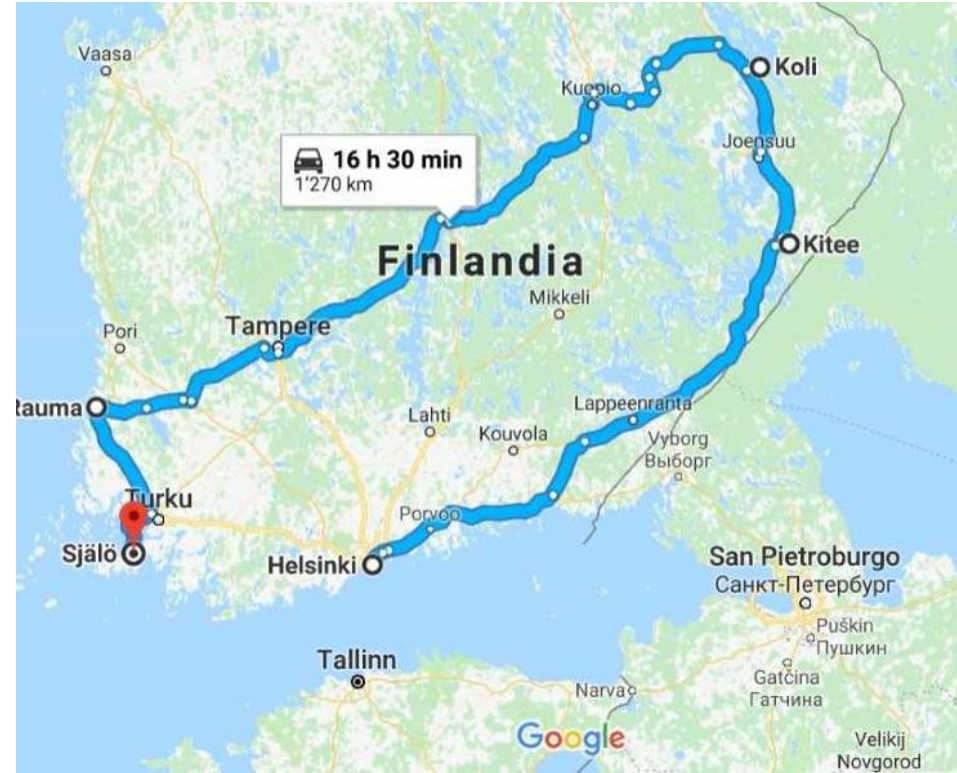

Turun yliopisto
University of Turku

Organizer's journey started in Sept 2017...

- This was the 5th UNESCO Chair in ICT Sustainable Tourism Summer School.
- Prof. Erkki Sutinen brought the Summer School to Finland and Dr. Carolina Islas organize it locally.
- First UNESCO Chair in ICT Summer School on the road.
- Prof. Lorenzo Cantoni, UNESCO Chair holder, from Università della Svizzera italiana (Lugano, Switzerland) and Dr. Silvia De Ascaniis **accepted our vision:**

Wishing list....

- Be visionary
- This Summer School should include different destinations
- To assure participants will learn
- To assure the energy and enthusiasm of the participants will prevail, or ideally increase each day during the 10 days of the Summer School.
- To be inclusive, involve as many participants as possible.
- To be in budget

We learn daily in all what we do.
Today is the time to build bridges
between formal and informal learning
to:

- Discover
- Engage
- Connect
- Reflect
- Grow
- Experience
- Enrich
- Share
- Enjoy
- Promote satisfaction and ownership of personal learning
