### European Healthtech Investment Forum 2022 goes digital

Business Finland and Tech Tour will continue the successful European Healthtech Investment Forum event series in 2022 in a fully virtual format.

**Anyone interested can join the event for free to listen to the company pitches. If you wish to do so, please register to the event as an Audience member.**

If you are a company seeking capital investments or an investor seeking new companies to your portfolio, make sure to save the dates March 8-10, 2022 in your calendar.

A panel of seasoned investors will review all applications and the top 40 ranked companies will be invited to pitch at the event as well as meet potential investors in 1-to-1 meetings.

**The application period has ended with the following topics:**

- Digital Health
- Diagnostics & Medtech
- Life Sciences & Biotech
