[Do business with Finland](#) » Finnish Suppliers

FINNISH SUPPLIERS

Finnish Suppliers is a service for Finnish exporting companies to promote their supplies and services. You can sort companies for example based on the type of service, target markets (countries) and industry sector.

If you are looking for companies with offering to crisis management, please type **crisis management** to the search field.

Are you interested in joining the database?

The service is for Finnish growth companies and Business Finland customers that export or are ready to go global, with international marketing material already in place.

To register, please send an e-mail request to FinnishSuppliers@businessfinland.fi. We will send you a link to gain access to the registration. Business Finland reserves the right to edit, reject to publish or remove the content provided.
