OUR KEY AREAS OF WORK

FUNDING FOR INNOVATION AND LOCAL CO-CREATION

We provide funding which enables innovation and local co-creation in developing markets, maximizing both business and sustainable development impacts.

FUNDING PATHWAYS FOR SUSTAINABLE BUSINESS

Forthcoming

UNITED NATIONS (UN) PROCUREMENTS, INNOVATION FOR HUMANITARIAN NEEDS

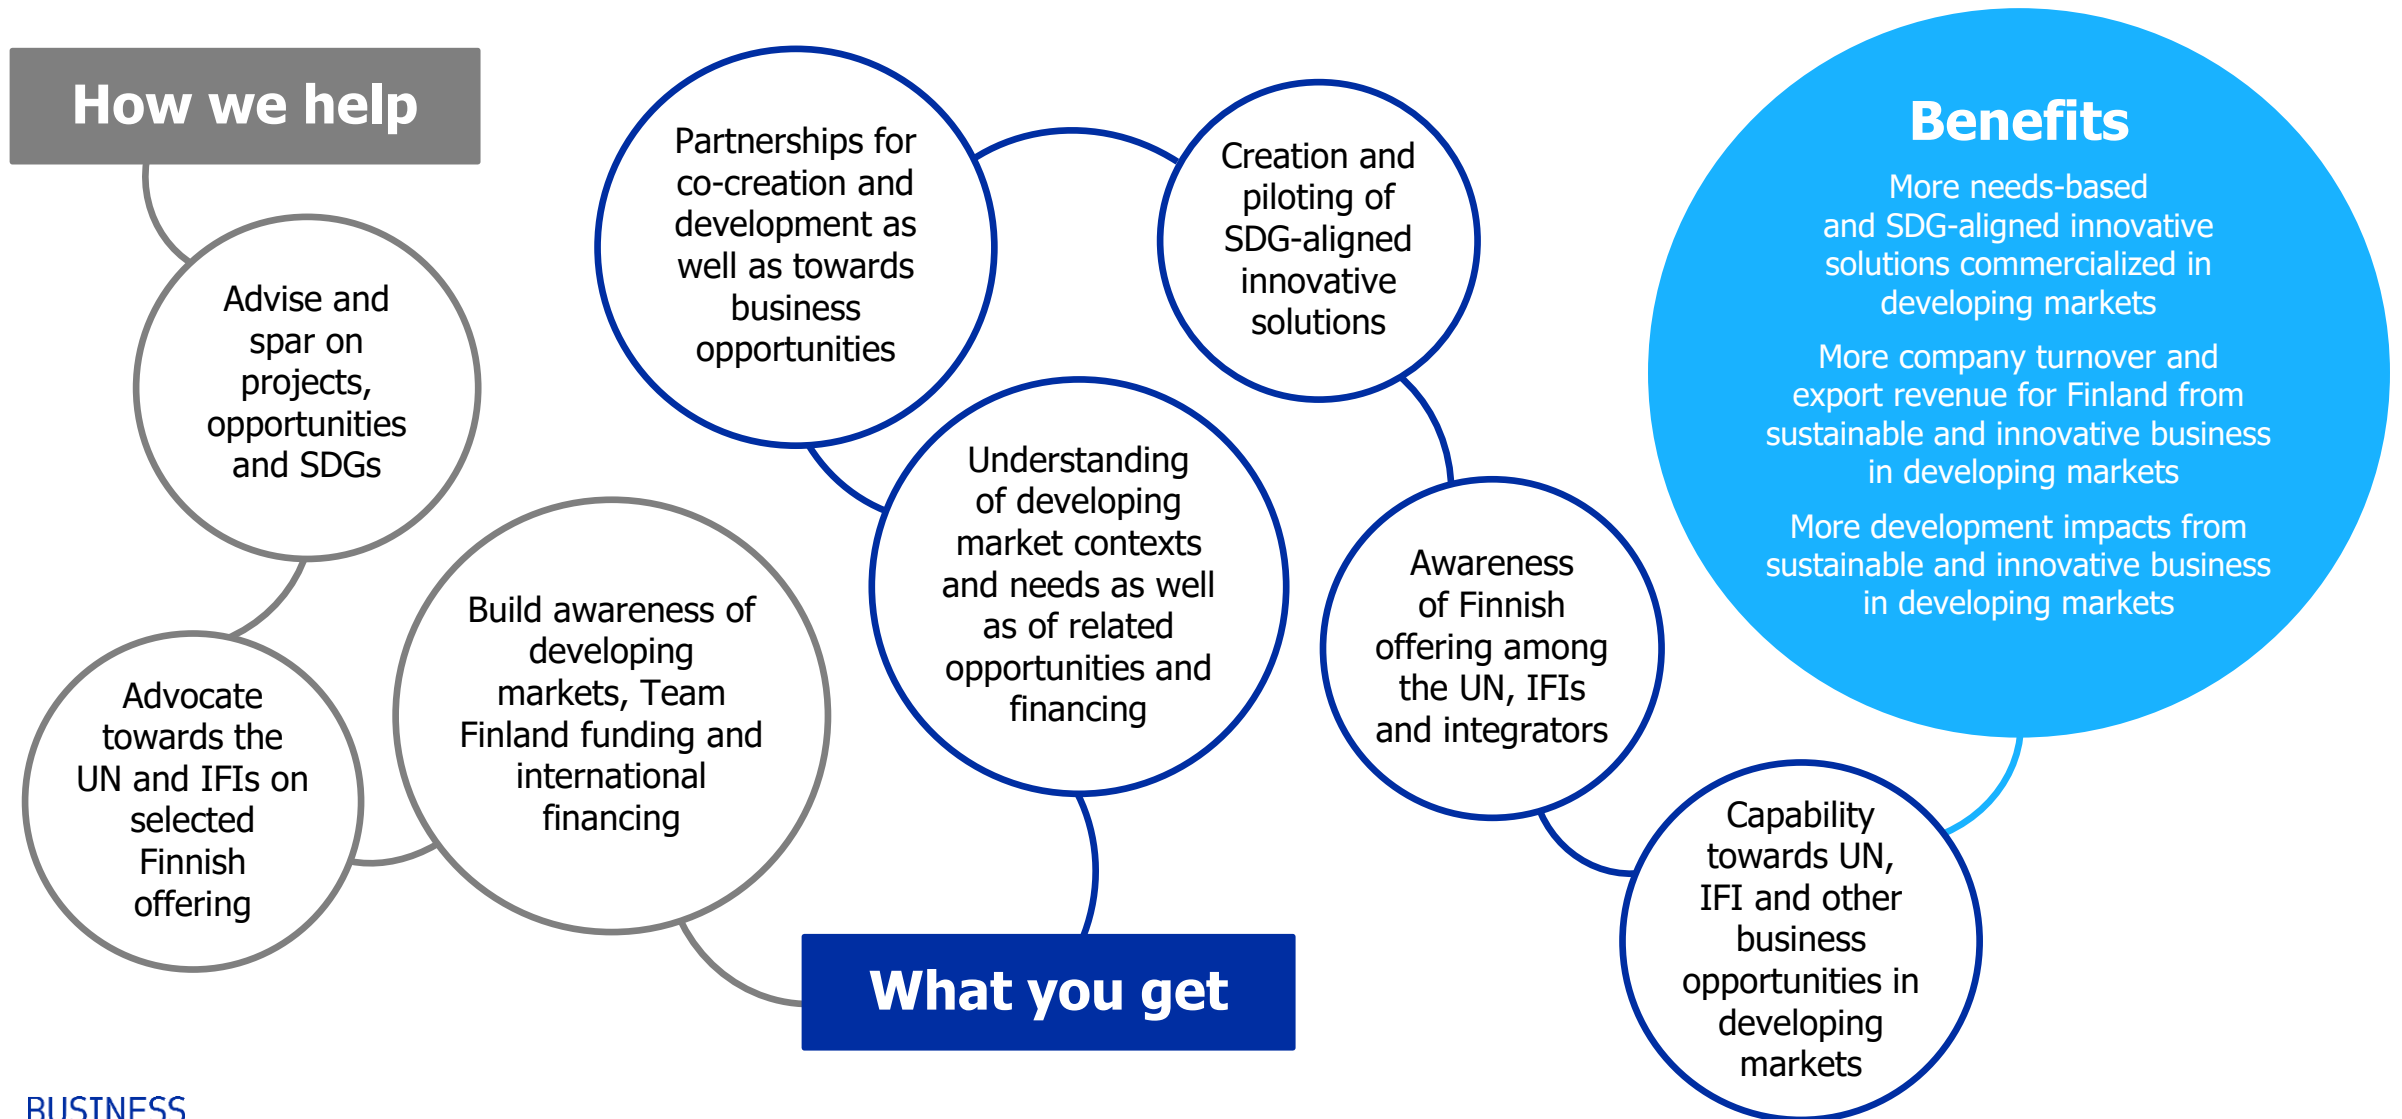

We advise and guide how to approach, collaborate with and sell to the UN, including in innovations for humanitarian needs.

INTERNATIONAL FINANCIAL INSTITUTIONS (IFIs)

We support Finnish companies with advice, coaching and networking towards procurement and investment opportunities by IFIs such as the World Bank Group, regional development banks and the EU.

THIS IS HOW WE WORK
