

Before submitting the attestation, check the funding terms and conditions, whether the terms require the delivery of this attestation or the auditor's report!

ATTESTATION OF PROJECT COSTS BY THE CONTACT PERSON FOR THE COST STATEMENT

The contact person for the cost statement is the financial administration person appointed in the online service; the person in the organization's finance department or accounting firm who was responsible for project accounting

I hereby attest that

- the costs of salaries and/or purchased services have been entered in the accounts of the beneficiary
- the costs do not include VAT
 - o if the beneficiary is not liable to pay VAT or if the VAT will finally be payable by the beneficiary, the costs can be accepted with VAT. The details have been attached to the report
- the beneficiary has paid the salaries and/or purchased services prior to declaring them to Business Finland
- the costs arising from the project can be itemized and their connection with the accounting and the cost statements verified.
