(1) Call Closure Date: Single-stage calls have one date per closure, while two-stage calls have two dates, one per stage.

(2) Call Identifier: One call with multiple cut-off dates may appear more than once in the list. Details on the content of these calls for proposals can be found on the [participant portal](#).

(3) Number of all Submitted proposals: All received proposals in first stage of the procedure.

(4) Number of Eligible Proposals: Excluding ineligible proposals (on the basis of eligibility criteria) proposals that were duplicates and/ or withdrawn by the coordinator. A proposal that was eligible in stage 1 may become ineligible/withdrawn in stage 2.

(5) Number of Ineligible Proposals: Proposals that are not eligible, i.e. includes inadmissible, ineligible, withdrawn and duplicate.

(6) Number of Eligible Proposals that Failed in Stage 1: Proposals eligible in stage 1 not participating to stage 2 because they were not invited (below threshold) or because they never submitted a full proposal.

(7) Number of Eligible Proposals in Stage 2: These are the full proposals passing the eligibility criteria. They are the denominator of the success rate.

(8) Number of Retained Proposals: Proposals flagged as MAIN. They form the numerator of the success rate.

(9) Call Specific Success Rates: Call-specific success rates is (8) ÷ column (4) for single-stage Calls and (8) ÷ (7) for two-stage Calls.
