# Nokia in the Hungarian ecosystem

A high-angle, close-up photograph of a child's legs and feet on a bright green bicycle, riding through a shallow puddle on a dark, wet pavement. The child is wearing white sneakers with blue accents. The water in the puddle is dark blue and black, reflecting the sky and the bicycle. The reflection of the bicycle and the child's legs is clearly visible in the water. The word "NOKIA" is printed in white, bold, sans-serif capital letters in the center of the image, partially submerged in the water. The overall mood is playful and nostalgic.

# NOKIA
