BASIC INFORMATION FOR APPLICATION

THE COMPANY'S CURRENT STATUS

PROJECT IMPLEMENTATION

BUDGET AND FUNDING

SUMMARY AND SENDING

THE COMPANY'S CURRENT STATUS

The company's ownership, structure, resources and the contribution of key personnel to the company

List your company's owners and holdings, as well as the possible roles of private owners in the company's operational activities. Describe any corporate structures, e.g. the group or holding company structure. Give a brief description of the company's core team and the backgrounds of the team members. Also give a brief description of the other human resources used by the enterprise.

DE MINIMIS AID

Has your company or a Finnish company in the same group or same control been granted de minimis aid during the current fiscal year or the previous two fiscal years?

Yes No

[?](#)

The funding applicant must declare any de minimis aid granted to Finnish companies in the same group or same control during the current fiscal year and the two previous fiscal years. The fiscal year comprises the accounting period or periods that will expire during the calendar year. Please note that, in combination with other de minimis aid, the funding you have applied for from Business Finland must not exceed EUR 200,000 during the above-mentioned period.

What is the company's new target market, and how is it new, for example a new customer group or a geographically new market? Specify what service and from which potential service provider (name and business ID) the company has been considering to purchase the service. Assess also how the funding would affect the company's internationalisation, and how the purchased service would improve the company's chances of being successful in the new market.
