Municipality where the project is primarily carried out

The applicant's own project identifier

Project implementation

PROJECT IMPLEMENTATION

1. Designate the type of production: a feature film, documentary, animation production, serial fiction written for the screen
2. Name the primary production company of the project and the producer.
3. In the case of a co-production, please indicate if the co-production is official or unofficial.
4. In the case of a co-production, please indicate the roles of the companies and their responsibilities in the project.
5. Name the locations of the production
6. The elements of the project to take place in Finland (for example: number of filming days, crew, post-production)
7. Production schedule (production start, filming, post-production)
8. Ownership and distribution of the audiovisual work (e.g. right to exploit, distribution and sales agencies)
9. The delivery time of the AV work
10. The significance of the incentive for the implementation of the production in Finland (describe the situation without the incentive)
11. The schedule of open funding sources
12. What is the total of development and production costs incurred in Finland by the time of the incentive application?
13. Please provide estimates of the dates and amounts of the interim cost statements (it is possible to receive funding from the Funding Agency for periods of time based on the actual costs)
14. If you have an E&O insurance policy, please indicate the name of the insurance company
15. If you have a completion bond, please indicate the service provider
